

**Taking out the heat**

Blue Lounge Studios has come up with a simple solution for the nagging problem of overheating laptops. Cableoyo Cool Feet has suction cups for easy attachment to your laptop providing ventilation and giving a slightly raised keyboard to take the pressure off your wrists. \$19.95 from [www.tryandbyte.com.au](http://www.tryandbyte.com.au)

**Room to groove**

Forget about trying to fit bulky stuff in your pocket. The Wallelex Microelectronic MP3 Player is an ultra slim credit card size MP3 player that fits in your wallet. Storage capacity from 256MB to 4GB, prices start at \$70. [www.wallelex.com](http://www.wallelex.com)

**Get it together**

This gadget is a must. It binds multiple sheets of paper by punching a folded hole. Easy to grip and environmentally friendly, you never have to ask your housemates for staples again. \$8.95 from [www.coolgifts.com.au](http://www.coolgifts.com.au)

**All wrapped up**

The Japanese have been carrying things around in a piece of cloth called Furoshiki for centuries. However, Tokyo based designer Genta and Chie Kanayama have come up with a new design which incorporates handles and reversible cloth in funky colours. Use to carry books or even clothes for your next visit to the laundromat. \$88.00 from [www.shewants.com.au](http://www.shewants.com.au)

**Extreme sound**

Keep your iPod protected in your backpack when engaging in extreme sports. The Belkin Sport Command, allows you to control your iPod with a remote strapped to your arm or belt. RRP \$129.95
