### Perfect student insurance

[insure4less.com.au](http://insure4less.com.au) offers students a variety of travel insurance policies and even their most economical policy 'Essentials' will cover you for the most significant expenses that you're likely to incur such as medical and lost baggage. Most importantly, 24/7 medical and emergency assistance is just one phone call away. You'll find their prices incredibly competitive and you'll also be secure in the knowledge that your policy is backed by one of the leading insurance markets in the world – Lloyd's of London.

### Get more from overseas travel

More and more Australian students are volunteering overseas than ever before, as a way to give back on their travels. i-to-i can help you arrange a short-term volunteering stint in Africa, Asia and Latin America, whether you want to build homes, teach English or work on local community development projects. If you're after paid work, teach English overseas. Accredited TEFL courses and free job placements will give you the chance to travel and to get paid for the privilege! ### Are you considering a gap year or working holiday adventure?

Why not let us introduce you to the stylish way to start! We secure your job and accommodation before you go!

You'll work for one of the UK's leading bar and restaurant groups. Experience is not essential. If you are willing to learn, interact and meet new people this is for you

- ★ Meals included
- ★ Good pay + tips
- ★ Time off for travel
- ★ Full training provided.
- ★ Secure accommodation
- ★ Top-notch UK pubs

*I enjoyed working at my UK pub; it gave me a good chance to see other parts of England whilst avoiding the London trap. In my time working there, I got to know the locals as well and ended up earning enough money to tour Europe and South America on my way home!*
