Baroni 125cc Motor Scooter

Utimes and Baroni Motorscooters are giving away a brand spanking new Baroni 125cc Motor Scooter valued at \$2695 to a lucky reader of Utimes.

To go into the draw, answer one simple question:
'What is the warranty offer on a new Baroni Motor Scooter?'

CLUE: The answer can be found at www.baroni.com.au

Then send us your answer via email with 'WIN BARONI' in the subject line to win@utimes.com.au by April 23. Also let us know your name and where you study. A photograph of the winner with their new Baroni 125cc Motor Scooter will be published in the May edition of Utimes.

ustar Horoscopes with Stephanie McCormick

ARIES Free spirited Arians will revel in their new found freedom at college, but be forced to move back home upon running out of food, money and clean underwear.

TAURUS College bound Taureans will enjoy O'Week a little too much, and be subsequently hospitalised for alcohol poisoning/sleep deprivation/nudie-run-induced hypothermia/any number of communicable diseases.

GEMINI Geminis will impress their peers whilst fulfilling their New Year's resolution to 'study more', which will only last until the good TV shows come back on.

CANCER Cancers will be surprised when their summer fling turns up at their uni this semester, and mortified when they do not honour the 'what happens in the caravan park' code of silence.

LEO Under lusty Venus, Leos will embrace their romantic side in a park with a loved one, which will result in a stint in a prison cell after flouting public indecency laws.

VIRGO Vain Virgos learn not to be cheap when an attempt to achieve 'beachy summer highlights' from a bargain hairdresser results in peroxide poisoning and makes Shane Warne's frosted blonde tips look good.

LIBRA An attempt by creative Librans to impress a date goes horribly wrong, when their boat capsizes and leaves their date cold, wet and with e-coli.

SCORPIO Unlucky Scorpions will discover that that hot guy/girl they drunkenly got with at a uni bar night is actually their tutor, and more alarmingly, does not look remotely hot in daylight.

SAGITTARIUS Industrious Sagittarians will bring a law suit against the 'Even More Beer' club this month, upon discovering that it does not in fact offer greater amounts of beer than its 'More Beer' counterpart.

CAPRICORN Capricorns will engage in all aspects of uni life this month, and will consequently hate uni after receiving a parking ticket/getting into a fist fight with a socialist/picking tutes late and ending up with the strangely angry mature age students.

AQUARIUS Adventurous Aquarians to go on exchange this month, and be bullied by foreign customs officials after not declaring 100 packets of Tim Tams.

PISCES Under daredevil Mars, Pisceans will learn a valuable lesson this week: tequila and naked skateboarding surprisingly don't mix.
