

This time last year

“I thought I was the  
only one who gave a  
@#%! about my career”

The best thing about being a Westpac Graduate, is not actually being treated like one. From day one you're given all the support you need to kick start the career you want. You're given real jobs and the opportunity to discover your interests – whether you choose one of our Generalist or Specialist Programs.

But don't just take our word for it – see what the Grads from 07 have to say. Go to [westpac.com.au/graduates](http://westpac.com.au/graduates) to hear their feedback and for your 09 application form.
