

Great US diner

Calling all students to a 1950s diner: "We have the best thick shakes, chili dogs, chili fries, taco fries. You have to try my ranch and bacon burger, or my bleu cheese and cajun burger, or if you want to Cry grab a knife and fork and try the chili con carne burger!"
"I also sell your favorite pop

tarts and American candy bars and candies, plus I sell Dr Pepper, Root Beer, Canada Dry, Cherry Coke. "Stop into the Diner and you will feel as though the Fonz will bang the juke box any second!"

Tax tips

Tax file number – It is not compulsory but without one you cannot defer your higher education fees or receive Youth Allowance, Newstart or Austudy. And if you're working without one your employer by law must take 46.5 per cent of your wages in tax.

Lodging a tax return – If tax has been deducted from any income you received lodge a tax return to recover any refund due, which gets bigger if you claim certain deductions, such as self-education expenses, if your studies relate to your job. The Tax Office website has an online calculator to help you

decide if you need to lodge a tax return and you can use e-tax, the Tax Office's online lodgment facility, to lodge your tax return when it's due.

Superannuation – Your employer has to pay super contributions for you if you have turned eighteen and earn at least \$450 in a calendar month.

Repaying HELP debt – You can start repaying any time and voluntary repayments of \$500 or more receive a discount of 10 per cent. And don't forget tax kicks-in once you cross the repayment threshold of \$39,824 per year or \$765 per week.
