

## Escape the winter blues

The annual migration has begun, that is the holiday migration, so head north to the tropics. With the cold weather settling in down south, everyone has started to head north to take advantage of the hot sunny days that the Northern Territory, Queensland & Fiji have to boast about. Every year between April and October 10,000s of students and backpackers make the pilgrimage up the east coast of Australia on their semester breaks throughout the year or part of their extended touring plan on their GAP year.

To check out Adventure Travel's backpackers and students 'Short Adventures - 7 Days or Shorter' visit [www.adventuretravel.com.au](http://www.adventuretravel.com.au) or call 9750 0112.

## Summer Camp in America

Working abroad at an American Summer Camp is the chance to have fun, develop career skills and make a difference in the lives of campers. ## Get volunteering

Taking a year (or part of a year) out during uni can be the perfect antidote to burn-out and study fatigue. It may even be an opportunity to build your CV and impress future employers. Gap Activity Projects offer a wide range of projects for anyone aged 17-25 looking to volunteer overseas, make a difference and achieve something unique. GAP Volunteers get life experience and commit to helping others - whether it's teaching in Vanuatu, working in a community centre in South Africa or helping with environmental conservation in Brazil.
