The Ian Wark Research Institute (The Wark™).

The Wark has a prized international reputation for research and postgraduate education, with an outstanding graduate employment record. It is the ARC Commonwealth Special Research Centre for Particle and Material Interfaces, and the headquarters of the Australian Mineral Science Research Institute.

The Wark has strong links with industry, with many postgraduate projects providing students with the opportunity to work directly with industry partners. This will enable you to develop your skills and gain hands on experience in a world class research institute with many internationally recognised researchers.

When you choose a PhD or Masters program at The Wark, we will offer you:

- > First class facilities
- > An outstanding international reputation
- > Strong links with industry
- > Internationally competitive scholarships
- > Opportunities to travel within Australia and overseas.

The Wark offers PhD and Masters programs in Applied Science and Engineering.

For more information visit www.unisa.edu.au/iwri or email paul.byrne@unisa.edu.au or call **08 8302 6520**.
