

Info Week for Chisholm

Increasing demand for 'Open Day' kinds of information led south east Melbourne's Chisholm Institute of TAFE to create a whole week of open days, dubbed "Info Week". Last year was a huge success, so the Institute is conducting another Info Week this year, from Monday August 17 to Saturday 22.

See tours, activities, demonstrations and course information sessions, in courses from mechanics to management, cooking to care work, art to engineering day and night at Frankston, Dandenong, Berwick and Cranbourne. Get free careers counselling consults and information on new government funding.

Chisholm Institute Info Week August 17 – 22.

Make a difference for life

The Australian College of Applied Psychology (ACAP) offers qualifications in counselling, case management, people management, human resources and coaching that combine the teaching of theory and practice with small classes and the flexibility to study online, by distance education or on-campus.

The Bachelor of Applied Social Science (Coaching), new in 2009, is designed for people interested in a career in life, executive or personal coaching and gives you the chance to work while you study gaining experience for your CV before you graduate.

To find out how to start studying in 2009 contact ACAP today.

Chemistry PhD at Melbourne

Are you looking for a change of scenery and a challenge?

The School of Chemistry at the University of Melbourne offers talented chemists access to top class facilities and award-winning academics.

If you are intending to undertake a PhD in 2010, you are invited to attend an information session on 1st or 2nd October. At this session you will be given the opportunity to view our facilities and meet with our research group leaders to discuss possible projects.

For further information or to RSVP, please email Vicki Burley (vickib@unimelb.edu.au) by 18th September 2009.
