“Tantalising moments of creative danger abound”

Theatresports is the longest running improvisation comedy show in Melbourne. This ever-popular, all-improvised show brings a thrilling combination of comedy, sports and drama to the stage.

Tantalising moments of creative danger abound as scripts are cast aside in favour of quick-witted improvisation. Two teams challenge each other, creating scenes to outdo and outwit. The final word goes to the judges – the teams that please them will make it to the night of nights, the Theatresports Grand Final.

This season's cast includes Lliam Amor, Rik Brown, Mike Bryant, Simon Dowling, Sean Fabri, Leah Gabriel, Jason Geary, Jenny Lovell, Xavier Michelides, Karl McConnell, Rama Nicholas, Tim Redmond, Anna Renzenbrink, Jamie Robertson, Patti Stiles and Kevin Yank.

Back your favourite team as the Houses of Ka, Loki, Chaos, Ogmios, Turan and Mushhushushu lock heads in competitive comedy.

Reigning two-time season champions Ka are eager to keep their title, but can they retain their title with a new team line up?
