GET COMPETITIVE – *get* A DEAKIN HONOURS DEGREE

Expand your employment and further study options with an Honours degree from Deakin University.

There are many ways you can achieve an Honours degree from Deakin including completing an additional year of study following an undergraduate degree or alternatively enrolling in a Deakin degree with an embedded honours component.

Through this specialised year of study, you will be able to bring together the theory and practical knowledge gained in your previous undergraduate studies and enhance your skill base before moving into the workforce or further study. It is also the standard and shortest pathway for entry into Masters by Research and PhD.

Honours applications are accepted regardless of where you have successfully undertaken your undergraduate degree..

To find out more about the wide range of Deakin Honours degrees and scholarships call 1300 DEGREE (1300 334 733) or visit our website.
